Construction On Four-Room School Addition Well Underway

The new four room addition to Didsbury School is rapidly taking shape and will be ready for use well before school opening in September.

The four new rooms will make it possible to accommodate the entire Junior-Senior High School in the building. One of the rooms made available will handle Grade 7A which now uses one of the one-room schools. One room will be used for type-writing, now taught in the other one-room school. One will be for the extra Grade 10 class next year and the other will be used for the library which for the past year has been located in the small Health Room off the north corridor.

The ventilating system of the classroom part of the whole building is being changed to improve air circulation. The four new rooms will also be equipped with louvers on the outside of the win-

dows to cut down the direct glare of the sun. If these prove to be satisfactory the rest of the school may be similarly equipped.

Two of the new rooms are slightly larger than standard classroom size and the staff hopes to be able to equip one of them for a Social Studies and Music room. If time-table permits, this one room would contain all the maps, globes, etc. for High School social studies, as well as a piano and other equipment for music classes.

The space formerly used for the southwest stairway and exit will contain two new washrooms. The stairway and exit has been moved to the southwest corner of the new addition.

This addition now completes the original plan for this building. It is hoped that it will accommodate Grade 7 to 12 for the foreseeable future.

DOG CATCHER WORKING OVERTIME

Those of you in "our town" who have a dog running out of control are reminded that there is a law against it. The town dog catcher caught up to a few of them last week and they are now sitting behind bars.

Don't let this happen to your best friend — make sure you have a pet, not a menace.

ALLEN TIMBER

(From Our Own Correspondent)

Linda Stair was a patient in the Didsbury hospital last week where she had her tonsils removed. We are glad to see she is back home again and feeling really well.

Janet McGaffin, daughter of Rev. Bob and Helen McGaffin of Edmonton is spending some time at the home of Mr. and Mrs. Johnny Howton, while her parents and Rev. Ruby Moore are attending a convention in Salem, Oregon. They will be returning by Vancouver.

Mr. Bill Dick was a recent patient in the Didsbury hospital, and we are sorry to hear that since coming home he and Mrs. Dick have been very ill with the flu.

Mrs. Joe Teynor and Mrs. Ben Teynor were Calgary visitors on Saturday.

Mr. Pat McGaffin and Miss Erna Riedel were visitors over the long weekend at the home of Mr. and Mrs. Joe McGaffin. While here they also visited at the homes of Mr. and Mrs. D. Stair and Mr. and Mrs. Johnny Howton.

Mr. Gary Moore of Calgary spent the week at the home of Mr. Danny Hewton.

Mrs. Lilly McGaffin of Calgary spent the long weekend with her brother and family. Mr. and Mrs. J. Howton.

Mrs. O. Moore of Calgary spent the long weekend with Mr. and Mrs. Bob Moore.

Mr. and Mrs. Earl Loughhead and family and Miss Joanne Adams are spending the week in Saskatchewan at the home of Mr. Loughhead's parents.

Mrs. Janet Fyten is a patient in the hospital in Calgary.

Many from the district took in the Bearberry Stampede and despite the cool weather, a very good show was enjoyed.

Congratulations to Mr. and Mrs. Bill Moore on the birth of a baby daughter, Kathy Jean, in a Calgary hospital, May 21st.

The U.F.W. at the Fallon Timber church most at the home of Mrs. Emma Wright Saturday evening. The next meeting will be at the home of Mrs. Louise Monee.

Mr. W. Fyten and wife were visitors at the home of Mr. and Mrs. Bill Scott on Sunday.

Mr. and Mrs. J. H. Cooper of Canmore spent the long weekend at the home of Mr. and Mrs. George Admussen and family.

Due to error in recent news item Keith Russell was reported as having celebrated his first birthday instead of his 11th.

We are sorry to hear that Mr. P. Fair is not feeling too well.

AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. L. Left of Didsbury, an May 20th, a daughter.

To Mr. and Mrs. G. Marsh of Carstairs, on May 27th, a daughter.

Midway News

(From Our Own Correspondent)

Miss Patsy Law of Carstairs is practicing teaching at Midway. Miss Edna Harder is now a trained nurse. Our congratulations and best wishes go to these young people on the beginning of their careers.

Norman Fisher has completed his first year of engineering and Richard Sawatzky, his first year in electronics.

The May meeting of Bancroft W.I. was held at the home of Mrs. R. Gehring. Owing to a busy season there was a small attendance.

Roll call was answered by a wash cloth for the local hospital. Plans were made for the grandmother's meeting on June 17th at the home of Mrs. P. Hauser.

A shower for bride-elect of this month Miss Alma Swanson, was held Saturday evening, her fiancé Mr. Norman Kelly was able to be present.

Mr. Gordon Hokin ably acted as M.C. for the program of local talent, the highlight being the tap dancing act put on by little Donna Hunter, niece of the bride to be.

An event of special note was held at the school, Friday afternoon to commemorate Empire Day. Each classroom contributed to the program.

Congratulations are extended to Mr. and Mrs. Hanning, (Beth Thomas) of Red Deer, on the birth of a daughter.

Arthur E. Conuel, 89, of Otterburn Park, Que., is presented with a 60-year first aid certificate, the first ever issued in Canada, by Lt.-Col. K. M. Case, president, St. John Council for Quebec, at annual inspection.

Golf Notes . . .

Despite unco-operative weather conditions competitive golf is continuing in the ladies' section of the Didsbury Golf Club. Mrs. Marje Connor won the surprise competition.

Mrs. Betty McMullen had the lowest score on even holes last week for the 1st flight; Mrs. Sylvia Shields carded the low score in the second flight, and Mrs. Joyce Scarlett won the third flight.

The competition this week will be "honeytrap" (a layman wouldn't understand this one). Tee-off time is 1:30 Thursday — the usual tea and gabbie session will follow.

"LET 'EM WHEN YOU LEAVE" . . . This week suggestion pertains to all who play on the local nine, male or female — wouldn't it be a fine idea to mat those greens before you leave for the next hole. May sound like a little extra work but when you figure it out every one comes out even, if everyone takes a few moments to do their share of keeping the greens playable for the ones coming behind.

NEWLYWEDS HONORED AT SHOWER

Mr. and Mrs. Leslie Goetjen were pleasantly honored by a group of their friends and relatives of the district on Saturday night last at the Westcoast school with a shower and a bit of entertainment.

Miss Hope Goetjen, niece of the groom had charge of two contests and also gave a comic monologue which was well received. The newlyweds were then asked by the M.C. Ted Topping to come forth and open the many lovely gifts, with Miss Hope Goetjen and Miss Marion Wilshusen assisting. Both Mr. and Mrs. Goetjen, Lew and Orion thanked their friends for the gifts and lunch which was served by several of the brides of the district.

The bride's parents, Mr. and Mrs. Macintosh of Owen Sound, Ont., attended this function and they enjoyed it all very much, especially the western hospitality, since this was the first trip west for them.

DOUBLE REPORT ON MELVIN WOMEN'S GROUP

The April meeting of Melvin W.I. was held at the home of Mrs. Lloyd Chandler, with 11 members and two visitors present. Mrs. B. Hipkin read an article on the use of vinegar for the home economics topic. Mrs. R. McNaughton and Mrs. E. McInnis judged the table centres. Mrs. Lloyd Fischer won the top prize.

The May meeting was held at the home of Mrs. George Youngs, with 15 members present. Mrs. Bannewman gave the health topic.

Sewing done for Unitarian Services was handed in and will be forwarded in the near future.

The June meeting will be held at the home of Mrs. Hipkin.

BERGEN NOTES

(From Our Own Correspondent)

Mrs. Armstrong has been teaching at the Bergen school this past week, substituting for Irene Halverson, who was taken to Olds hospital after suffering a relapse of the mumps.

Mrs. Halverson first taught in the district in 1922 and many of the parents with children now attending school were her former pupils. She taught eleven of twelve children in one family and a son of the twelfth.

All her pupils and former pupils and friends wish her a speedy recovery; also her husband, Trygve who too has the mumps.

Congratulations are extended to Mr. and Mrs. Albert Olsen, who celebrated their 50th Wedding Anniversary on Monday, May 25th.

CATHOLIC WOMEN'S LEAGUE HOLD REGULAR MEETING

The Catholic Women's League held their regular monthly meeting at the home of Mrs. Emilie Fulkert with 12 members present.

Father Peck gave a talk on the mission. It was decided to save eye glasses for the foreign mission.

Board of Trade Checking Up . .

At a very well attended meeting of the Didsbury and District Board of Trade, held in the Lions hall, Monday night, many important matters came under the hammer.

Complaints and discussion took place on the blocking of the main crossing by C.P.R. freight trains. Some of these stoppages have caused a traffic hold-up for as long as 20 minutes, far over the prescribed time limit for blockage of a main artery by trains. A motion was passed that the Board of Transport commissioners be contacted to see if something can be done about the long, long wait.

Another matter before the meeting was the paving of the road from the hospital to the C.P.R. tracks, and the moving of power and telephone poles. No report has been received from the government when the proposed project will get underway.

The question of Saturday closing hours for July and August was also discussed but no final decision was made. Neighboring communities will be contacted as to their plans for these two months.

A contractor from Calgary, Mr. Tom Hansen, answered questions on housing, financing and locations for a suggested housing project within the confines of "our town." More information on this subject will appear in later issues of this paper.

Rite Of Confirmation To Be Observed

The Rite of Confirmation will be observed at Redeemer Lutheran Church, on Sunday, May 31st. The service will begin at 10:30 a.m. Five young people, after a two year course of instruction in the fundamental teachings of Sacred Scripture, will make a profession of their faith and be received into communicant membership with the Church.

The young people are as follows: Mr. Gordon Ood, Miss Jean Levasseur, Miss Gloria Regner, Miss Karen Rosenthal, and Miss Marion Wilshusen.

Sunday evening, May 31, beginning at 8:00 p.m. the annual Reunion Service of all past confirmations of this parish will be held at Redeemer Lutheran Church. As in previous years, a roll call of those confirmed in the past 15 years will be observed.

During these past 15 years a total of 160 young people and adults were received as communicant members, by the solemn Rite of Confirmation.

Following the service, a fellowship social hour will be held in the church basement. Pastor Fox will speak on the theme "Conservation."

At the voters' assembly held Sunday evening, May 24th, to consider the Call Pastor Fox has received to the Clarendon parish, the resolution was passed that the pastor remain in his present charge. Pastor Fox informed the congregation that he hopes to reach a decision later this week, and will announce this on Sunday, May 31.

Answers Asked For . . .

To The Editor, Didsbury Pioneer.

Dear Sir: In view of the statements being made by Premier Manning to the effect that the Province of Alberta is financially in the enviable position of being able to enter upon a five year plan, which will cost many millions of dollars, without raising taxes I would like to direct the following questions to our local M.L.A. I hope that for the benefit of your readers he will answer them through your columns.

1. Why has the Olds School division been forced to increase its 1959 mill rate by 7 mills, thereby forcing municipal taxes up to the highest point they have yet reached?

2. Is this increase restricted to taxes in the Municipal District of Mountain View or are municipal tax increases the rule throughout the Province?

3. Why is the hospital millrate in the Didsbury hospital district 5.75 mills in the Three Hills Hospital District 5 mills in the Olds and Innisfail Hospital District 4.5

mills; and in the Calgary Hospital District only 4 mills? This seems particularly hard to understand in view of the fact that all persons entering any hospital in the Province now enjoy the same basic rate, whether they pay land taxes or not.

4. Why does the Municipal Finance Corporation, whose business it is to lend money to municipalities at the lowest possible rate, have to borrow money in New York at 6.21 percent when the Premier assures us that the Provincial Government is in such a healthy financial condition?

5. Why does the Provincial Government not use at least a portion of the money, which the Premier claims it has, for the purpose of relieving the tax load on the land owner?

6. Mr. Manning credits his Government with making the Province of Alberta the best off financially of any Province in Canada. Who turned natural resources over to the Province?

Yours truly, H. LYNCH-STAUNTON

No Loud Noises Yet . . .

Insofar as the June election is concerned, At time of writing this reporter has heard only a few murmurs from one of the three candidates nominated to contest the Didsbury seat . . . 'tain't like it usta be! There are many controversial subjects that could be argued about in the home constituency during pre-election talks but so far the voting public have been kept in the dark on most subjects and what they may expect in these parts. Why all the secrecy fella's? Why not get on a platform together and tell the folks at home what you have to offer? Not much time left.

More Donations Needed . . .

At present the annual United Appeal Fund is a bit short of the total reached at this stage of the campaign last year. So far \$2750 has been turned in; a few hundred bucks short of the objective. Collectors, who have not made their full round, and those who have not yet made their donation, are requested to do so as soon as possible so the final count can be made. The Red Cross, The Salvation Army, The Canadian Institute to The Blind and The Polio Foundation will all benefit when the final split in proceeds is made — make sure you have some of your chips in the box.

The Perfect Squelch . . .

A local busybody, unable to contain her curiosity any longer, asked an obviously expectant mother point-blank whether she was going to have a baby. "Oh, goodness, no," the young woman said pleasantly. "I'm just carrying this for a friend." Touche!

School Facilities Being Extended . . .

Elsewhere in this issue you will notice a few notes as regards the much-needed four-room addition to the local learning centre for town and district students. The new section, being built on the south end of what we call the new school, will increase facilities considerably. A forward move, no less!

NO WONDE WHEAT

IS FILLING UP

Trade Minister Churchill made it plain in the House of Commons last week that Canada will not accept local currencies for wheat sold abroad. This continues the present policy.

Let us examine this policy.

The potential consumer in say Japan or Holland doesn't have any Canadian dollars. All he has is his own country's money. Since Canada won't take that money, he can't buy Canadian Wheat.

What would happen if Canada did take his currency?

With a free money market it could be traded for Canadian dollars or the currency of any other country, but sooner or later somebody would have to spend it in the country of its origin.

If Canada took that local or so-called "soft" currency, she could spend it immediately in that country. In brief, taking their money means simply that Canada is willing to buy from them, or from countries in their trading area.

And what's wrong with that? The only people it might hurt are the heavily protected Canadian manufacturers.

Trade is a two-way affair. Canada cannot sell wheat if she won't buy other things from the countries which might buy our wheat.

Put it another way. If Canada won't take their money, how are they going to get our money to pay for our wheat if we don't buy from them?

Canada complains of the U.S. wheat disposal program. But the U.S. will take soft currencies. Why can't Canada?

Mr. Churchill is minister of trade and commerce. So why doesn't he expedite trade and encourage commerce? He is acting more like a minister of trade restriction and commerce suppression.

SO TRUE, SO TRUE ! ! !

About the time parents stop wondering why children don't turn lights out, they're likely to begin wondering why they do.

NOTES FROM

The District
Agriculturist
HOWARD
FULCHER

The sheepman will soon be preparing to take off their annual wool harvest. The importance of having the sheep dry and shearing on a platform to keep the fleece clean cannot be stressed too much. If you use power clippers and it turns cold and wet immediately after clipping, having a shed to go in is a good business. The power clippers shear closer and some losses due to chilling have been reported.

Some care in sorting wool before being and packing will pay off. Two saw horses and a piece of snow fence makes a good sorting table. If you spread the fleece out on this a lot of the tag ends will sift out themselves through the snow fence. Removing tags to avoid staining of wool, picking out spots of black fibre and pieces of chaffy wool, while it may lower the total weight of fleece, may bring it up to a grade where the spread in price will more than compensate for the loss in weight. Canadian wool has stiff competition with wool from other countries and it is only by producing a good clean product can we hold our market.

Other seasonal jobs the sheepman should take care of while handling the sheep at shearing time are: trimming of feet - this can be done in seconds with penning shears while you have them caught for shearing. Worming can also be done at this time - phenothiazine in liquid form or capsules. If your flock is small and you have not got a dipping vat, they can be sprayed quite successfully in a chute with a garden hand sprayer using a quart of spray per sheep.

Make sure the lambs get a good spraying at the same time. A satisfactory spray can be made by diluting any one of a number of commercial preparations with water according to manufacturer's directions.

1959 Calgary Exhibition Farm

Youth Camp

Probably most of the boys and
girls of this district have already
been informed about Farm Youth
Camp which is to be held in Cal-
gary on August 17th to 21st.
This camp will be open to 4-11
members and other farm boys and
girls 15 to 21 years of age inclusive.
Those attending will be responsible
for their own transportation to and
from the camp. Board and room
will be provided free of charge
commencing Monday evening Aug-
ust 17th with the first camp
meal being Tuesday morning Aug-
ust 18th. All camp activities will be
provided free of charge.

Beds and mattresses will be pro-
vided by the Calgary Exhibition but
those attending will have to bring
whatever bedding they need.

Camp Features

1. Organized and supervised group activities.
2. A chance to make friends with many other young people.
3. A balanced program of activities from morning till night.
4. Tours of places of interest.
5. Tractor safety and other competition.
6. Swimming and other recreational activities.
7. Banquet and dance.

Camp members will be free to re-
turn home Friday morning, August
21st.

Application forms and further
details on this camp can be obtain-
ed by writing to the District Agri-
cultural Office, Olds.

CHRISTIAN SCIENCE

The scientific basis of spiritual
healing will be brought out at
Christian Science services Sunday
in the Lesson-Sermon entitled "God
the only Cause and Creator."
Luke's account of the healing by
Christ Jesus of the "man which
had the withered hand" will be
read, including this passage: "And
looking round about upon them all,
he said unto the man, Stretch forth
thy hand. And he did so: and his
hand was restored whole as the
other." (Luke 8:10).

Correlative selections read from
"Science and Health with Key to
the Scriptures" by Mary Baker E-
dwy will include (313:23-26) "Jesus
of Nazareth was the most scienti-
fic man that ever trod the globe.
He plunged beneath the material
surface of things, and found the
spiritual cause."

The Golden Text is from Revela-
tions (15:3): "Great and marvel-
ous are thy works, Lord God Al-
mighty: just as true are thy ways,
thou King of Saints."

OUTWORM CONTROL:— After
the trouble we have had with out-
worms last year most of us are
conscious about this pest. There
are several species of outworm.
Most of them destroy seedlings by
cutting them off at or just below
the surface, so that the plants fall
over and die. If, at sundown the
air is warmer than the soil they
come to the surface and crawl on it
in search of young plants.

Sometimes they will climb the
leaf and puncture holes through it
but usually they are content to cut
the plants off at about ground
level. If the air is cooler than the
soil they tend to remain just be-
low ground level, particularly so
when the soil is loose and dry.

Cereal crops as well as most gar-
den plants are subject to the rav-
ages of outworms. They thrive
particularly well in a season when
there is very little moisture. For
the protection of garden plants the
use of ALDRIN DUST is recom-
mended.

This can be dusted into the open
furrows at seeding time and covered
with the seeds. It can also be
dusted on the plants as they
emerge, however, the latter is not
as effective.

For cereal crops outworms can
be controlled by the use of either
Ehndrin or Dieldrin, with the for-
mer being preferred. This chemical
is applied at the first sign of out-
worm activity with the field weed
sprayer. It is necessary to use 10
gallons or more of water per acre
for this job along with two to four
ounces of Ehndrin. This will cost
from 75c to \$1.50 per acre. This
is much less expensive than having
to re-seed.

SOME FAMOUS

LAST WORDS

This car corners easily at 60.
This gas gauge is just stuck when
it registers EMPTY.
Let him dim his lights first.
Come sit on my knee Junior and
learn to steer.
Playground signs don't matter
on a Sunday.

Watch me, I won't let this sport
car pass.
Here's a straight stretch, open'er
up.

I never use headlights until it's
really dark.
Let's play with the spotlight.
Don't use a match to check the
gas, stupid, use my lighter.

That siren was on the radio, sally.
Why should I wear my glasses, I
see as well as any driver can.
So I got smooth tires; roads are
only slippery when the rain has
just started.

Why stop and admire the view?—
I can look around as I drive.
Why should I carry collision cov-
erage, an accident will never be
my fault.

I'll pass now to get free of his
dust so that I can see.
The police can't prove anything
with radar.

Why check my brake lights? The
fellow who hits me is at fault.
Don't worry the smell of carbon
monoxide will wake us up.

Watch, I won't let him bluff me.
Jack the car up in the middle
of the road where it can be
seen.

So the sign says slow to 30 for
the curve — we can do it at 60
easy.

Why should I worry, I've got the
right-of-way.

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

The group that toured Washington state with President Taylor returned Wednesday, arriving about eight in the evening. Mrs. Taylor had those on campus for a buffet dinner. The wanderers reported a very good tour, and although the flu bug got some of them for a few days, the meetings were a real success. Several students were contacted favorably for the college and their applications are beginning to come in.

Miss Edna Dietz returned with the group. She had been home with her parents for several weeks, and during that time her mother passed away. Sincere sympathy from the college is extended to the entire family.

The deputation group held weekend services in the Parkdale United Missionary church, returning to the campus Sunday night. They will be representing the college in various places in the province during the coming weeks before President and Mrs. Taylor and family leave for summer work at Winona Lake School of Theology, in Indiana.

Miss Gladys Eby attended the closing of the Canadian Nazarene College, Red Deer, last week. Rev. Norman Oke, a brother of Harold Oke, was the commencement speaker, and because of work accomplished for his church the degree of Doctor of Divinity was conferred upon him at that time. The commencement closed a large youth rally as well.

Ted Venstra and Wayne Shantz are working in the community for at least part of the summer, preparing themselves for another year at the college.

Mr. Lavern Traub held a most successful piano recital in the college chapel last Friday night. A large number of parents and friends were present and 31 pupils took part. Mr. Traub is to be commended on the excellent work done by his pupils.

LIGHT YOUR WAY . . .

... WITH BIBLE STUDY

"Deliver us from evil." This is the last petition of the Lord's Prayer. What does the term "evil" embrace? Under this term we understand every and all manner of evil: poverty, hunger, thirst, sickness, pain, temporal death, sorrow, anxiety, worry, unbelief, an ungodly life, an accusing conscience, eternal death, loss of providence through theft, robbery, accident, misfortune, loss of good name through slander. All these evils and calamities are the result of sin. Thus, we ask that we might be delivered from them.

What do we understand with the word "deliver"? We recall the plagues that befell the Egyptians: swarms of flies, murmurings, hail-storm, locusts, darkness, and so on. But we also recall that none of these evils touched the children of Israel in the land of Goshen. God delivered them from all these evils. On the other hand, we also know that God at times permits evil to touch us. He does this because of His love for us. We often need such chastening in this life on account of our flesh. When God sends sickness, an evil, He does so in order to wean us away from the world. Such an evil we often refer to as a "cross". When God afflicts us with a cross, He delivers us from evil by either taking that cross from us — we think here of the cross of King Hezekiah (2 Kings 20) — or by helping us to bear it by turning it to our benefit — we think here of Paul who also had a cross (2 Cor. 12: 7-9). Once again we can therefore sum this up and say: "When I pray 'Deliver us from evil' I am asking that my Father, in heaven, would deliver me from every evil of body and soul, property and honor, and finally when my last hour has come, grant me a blessed end and graciously take me from this vale of tears to himself in heaven." For I believe that through death God delivers His children from all evil, because death takes them out of this world to Himself in heaven.

WESTERDALE NEWS

(From Our Own Correspondent)

The May meeting of the Willing Workers was held on May 13th at the George Jackson home, with Mildred Reist as hostess; there were eleven members present. Roll call was answered with "A Prominent Mother in the News."

A motion was passed to offer the church board \$25 for the picnic stand. A committee, consisting of Mrs. Ben Kershaw, Mrs. J. Cowie, Mrs. W. Herbert and Mrs. D. Herbert were appointed to make arrangements for a wedding reception on June 19th.

An interesting song contest was conducted by Mrs. J. E. Bolton and won by Mrs. H. Jackson. An exchange of plant slips was held following the meeting.

Mr. and Mrs. A. Jones were Calgary visitors on Tuesday of this week.

Mr. Frank J. Jackson returned home recently after spending some time in the University hospital, Edmonton.

Mr. and Mrs. Earl Dunn and son of Calgary, were recent visitors at the home of Mr. and Mrs. E. P. Jackson.

Miss Marion Jackson and Miss Barbara Jackson spent the weekend at their respective homes.

Mr. and Mrs. A. R. Pahl and Mr. and Mrs. Bob Jackson visited at the home of Mr. and Mrs. Elwood Scott on May 15th.

Mr. George Jackson, Larry and Lyle Bolton, motored to Metook on Sunday to view the view the air show.

Mr. Lyle Bolton spent the weekend at his home here.

Mr. and Mrs. Ben Kershaw had their house struck by lightning on Tuesday of last week during a severe electrical storm. Several fuses were blown, switches ripped out and plaster on the walls and ceiling were split. Luckily no one was injured and no fire resulted.

Westcott News

(From Our Own Correspondent)

Mr. and Mrs. J. McInosh of Owen Sound, Ont., who had come west for their daughter's wedding, which took place in early May, spent last week in the company of the newly-weds, who were back from their honeymoon and visiting at the home of the groom's parents, Mr. and Mrs. H. Goetjen.

Mr. and Mrs. Ken Folkmann, who are holidaying across the line, left their children with the in-laws, Mr. and Mrs. Otto Folkmann while they are away.

Mr. and Mrs. Neil Folkmann of Calgary spent the weekend visiting relatives and friends here.

Mr. Sid Whitlow is away on business this week. Mrs. McDonald is helping at the store during his absence.

Miss Babe Whitlow of Edmonton spent the weekend at her parental home.

Mr. and Mrs. Ken Papke of Calgary, accompanied by Mrs. A. Papke visited in the district at the weekend and attended the shower for Mr. and Mrs. Les Goetjen Saturday night.

CREMONA NEWS

(From Our Own Correspondent)

Most of the Cremona school teachers are suffering from the flu. Mrs. F. Stone and Mrs. L. E. Bennett are hospitalized in Didsbury; Mrs. M. Turnbull spent several days at home last week nursing the bug.

The Teen Club of Water Valley held a winter roast near McMillan's last Saturday night.

Sandy McKay, the student minister, has arrived in the area and will serve the Graham and Water Valley districts during the summer months.

The high school banquet was a very successful social event. The tables were centred with foam rubber flowers; the main table in colors of gold and green, the school colors; the other tables in rose colored flowers. Graduates were Cecil Ray, Joyce Tear and Brian Whitlow.

The Spring prom was a feature of prominence in the social events at Cremona. It was held on Friday evening, May 22nd.

A shower for Mrs. L. Klobberdanz was held in the United church basement last Saturday. The bride was absent because of illness and the gifts were opened by her mother and grandmother.

THE LOCAL NEWSPAPER MAINTAINS ITS INFLUENCE

- How often a successful executive, far from his small-town birthplace — maintains his contacts through regular receipt of his weekly newspaper.
- There is nothing quite like a small town weekly for neighborly news and intimate contacts.
- People in the advertising business talk about selected audiences — sharply focused circulation. They have learned from experience that when a publication is specially edited to appeal to the specific interests of a smaller group of people, its opportunities to make sales are multiplied many times over.
- The weekly newspaper is that kind of publication. Whether its circulation is a few hundred or a few thousand, it represents effective circulation.
- Gather the towns-people and farm folk around you when you advertise. Surround yourself with friendly neighbors — deliver your advertising message through your local weekly newspaper.

58.2 Per Cent of Canada's population live in places of 10,000 or Less. THESE ARE WEEKLY NEWSPAPER MARKETS.
